HorseCity.com is Your Source for Trailers

(Augusta, GA) HorseCity.com, a classic equestrian destination on the internet, has just added 20,000 trailers to their already successful classified system. This recent upgrade now provides users with a source for trailers of all brands, styles and sizes.

HorseCity.com joins forces with UsedTrailers.com to create one of the largest sources of horse trailers for sale online. At any moment over 20,000 horse trailers will be online for sale.

Ryan Dohrn, "It is these types of partnerships that make the Web a truly powerful tool. This has been in the works for many months and I so glad to see it come to life. Our users demand that we offer the best and the most information and they will get it!"

The addition of the trailers has been made possible through a data feed from The Used Trailer Company, America's source for pre-owned trailers as listed by individuals or companies.
